**PRELIMINARY PRETRIAL
CONFERENCE SCHEDULING ORDER -
(BENCH TRIAL)**

16 On July 13, 2009, the parties are scheduled to appear for a Preliminary Pretrial Conference.
17 In light of the representations contained in the parties' joint preliminary pretrial statement, the Court
18 finds that it can set a trial schedule without the need for the July 13 Pretrial Conference.
19 Accordingly, the Court VACATES the July 13 Preliminary Pretrial Conference and sets the
20 following trial schedule for a bench trial:¹

TRIAL SCHEDULE

Final Pretrial Conference (¶4)	February 22, 2010 at 11 a.m.
Joint Final Pretrial Conference Statement and <i>In Limine Motions Due</i> (<i>≈30 days before Final Pretrial Conference</i>)	January 22, 2010
Once the in limine binders are lodged with the Court (¶3(b)), the Court will determine whether a hearing is necessary for the motions in advance of the Final Pretrial Conference and set the hearing accordingly.	

27
28 ¹ Although Defendants previously made a demand for a jury trial, it appears that the parties have
now waived their rights to a trial by jury. (See Joint Statement at 6, Docket Item No. 34.)

1	Bench Trial Date and Sessions²	
2	Sessions 1 - 4	March 16-19, 2010; 1 p.m. - 4 p.m.
3	Sessions 4 - 6	March 23-24, 2010; 1 p.m. - 4 p.m.
4	Argue & Submit	March 25, 2010 at 1 p.m.

Meet and Confer Requirement

1. No later than 30 days prior to the Final Pretrial Conference, the parties shall meet and
 2 confer with respect to the Joint Pretrial Conference Statement, submission of a joint list of witnesses,
 3 a joint list of trial exhibits and a joint list of discovery material which each party intends to offer in
 4 evidence as a part of its case-in-chief. Unless objections are made in accord with this Order, all
 5 witnesses, exhibits and discovery material contained on the joint submission shall be deemed
 6 admissible into evidence by stipulation.

Objections and Lodging Disputed Material with the Court

7. If a party objects to receipt into evidence of a witness, exhibits or discovery response,
 8 the party shall advise all opposing parties during the conference described in paragraph 1, and
 9 attempt to resolve the dispute. If the parties are unsuccessful in resolving the dispute, any party
 10 wishing to object to receipt of the testimony of any witness, any exhibit or discovery response into
 11 evidence shall lodge with Chambers a copy of the disputed material at the commencement of trial.
 12 Attached to the submission shall be a brief statement of the objection and any response by the
 13 proffering party. The Court will indicate on the submitted copy whether the objection is overruled
 14 or sustained and return the material to counsel.

Lodging Joint Pretrial Conference Statement and *In Limine* Motions

15. Pursuant to the date set forth in the Case Schedule, the parties shall file and lodge
 16 with Chambers the following:

26 ² At the Final Pretrial Conference, the Court reserves the right to fold the afternoon
 27 sessions into morning sessions (9:00 a.m. - 12:00 p.m.) thus creating full days for trial. The final
 trial schedule will be confirmed at the Final Pretrial Conference.

1 a. Joint Pretrial Conference Statement: The parties shall file a joint pretrial
2 statement which shall contain the following information: (1) a brief description of
3 the substance of claims and defenses which remain to be decided; (2) a detailed
4 statement of all the relief claimed, particularly itemizing all elements of damages
5 claimed as well as witnesses, documents or other evidentiary material to be presented
6 concerning the amount of those damages; (3) a plain and concise statement of all
7 relevant facts not reasonably disputable, as well as which facts the parties will
8 stipulate for incorporation into the trial record without the necessity of supporting
9 testimony or exhibits; (4) a plain and concise statement of all disputed factual issues
10 which remain to be decided; (5) a statement assessing whether all or part of the action
11 may be presented upon an agreed statement of facts; (6) a statement of stipulations
12 requested or proposed for pretrial or trial purposes; (7) without extended legal
13 argument, a concise statement of each disputed point of law concerning liability or
14 relief, citing supporting statutes and decisions; (8) a list of all witnesses likely to be
15 called at trial; (9) a list of evidence the parties intend to present at trial through use of
16 excerpts from depositions, from interrogatory answers, or from responses to requests
17 for admission; and (10) any other subjects relevant to the trial of the action, or
18 material to its just, speedy and inexpensive determination. **Counsel are directed to**
19 **meet and confer in advance of the date for submission of pretrial material with**
20 **respect to the pretrial conference statement.**

21 b. In Limine Motions: Any *In limine* motions shall be filed in writing and
22 submitted along with the Joint Final Pretrial Conference Statement. Any opposition
23 shall be filed in writing and served no later than ten (10) days after the opening briefs
24 have been filed and served. **Fifteen (15)** days before the date of the Final Pretrial
25 Conference, the parties shall organize their **in limine** motions as follows:
26 (1) Each side shall be responsible for producing a combined folder with all of
27 *their* *in limine* motions, oppositions to their motions (if any), and replies (if
any), respectively. The motion papers shall be clearly marked and separated

1 in one single binder. The binder shall contain a table of contents, listing each
2 motion with a short sentence regarding the grounds for in limine and a short
3 sentence regarding the opposition; all statements must be supported by proper
4 citations to the motions. **The table of contents shall also be saved on a 3½**
floppy disk or a CD in MS Word or WordPerfect format to be attached
inside the binder.

- 5 (2) Please note that this binder is not a substitute for filing the motions and
6 related papers via ECF; it is designed for the Court to evaluate the motions.
7 Two copies of the binder shall be delivered to the Court (by way of the
8 Clerk's Office) no later than **fifteen (15) days before the date of the Final**
Pretrial Conference by 4 PM. The parties must also bring the binder to the
Final Pretrial Conference for their own references.
- 9 (3) These motions will be deemed submitted without oral argument, unless the
Court orders otherwise.

Final Pretrial Conference

10 4. The Court will conduct a Final Pretrial Conference on the date set forth in the Case
11 Schedule. The trial attorneys must attend the conference. At the final pretrial conference the Court
12 will consider issues raised in the Final Pretrial Conference Statement, motions *in limine* and discuss
13 the procedures for trial of the case.

Lodging Witness Lists, Exhibit Lists

14 5. At the Final Pretrial Conference, the parties shall lodge with Chambers the joint list
15 of witnesses, and a joint list of exhibits. Unless otherwise ordered, all exhibits shall be in a format
16 compatible with either the video or digital evidence presentation system utilized by the Court. The
17 proffering party shall retain custody of all exhibits, schedules, summaries, diagrams or charts to be
18 used at the trial.

19 6. Upon request, in noncomplex cases the court will excuse the parties from using
20 electronic formatted documents. In that event on the first day of trial, the parties shall submit
21 exhibits as follows:

- 22 a. A copy for the trial judge;
23 b. A copy for the witness stand.
24 c. No duplicates of a document shall be submitted, unless the duplicate copy has
25 independent evidentiary value to prove some disputed issue of material fact

1 (e.g., date stamp to prove receipt on a particular date, where date of receipt is
2 a disputed issue of a material fact).

3 **Proposed Findings (Nonjury Trials)**

4 7. In nonjury trials, on the first day of trial, each party shall submit its proposed
5 findings of fact and conclusions of law.

6 **Bench Trial Schedule**

7 8. The time allowed for trial shall be divided equally between the plaintiff's side and the
8 defendant's side. Co-parties are ordered to meet, confer and agree to an allocation among
9 themselves. A party may spend its allocated time presenting its own case or on cross-examination of
10 witnesses called by other parties or for presentation of a counterclaim. When a party's allocated time
11 period has expired, unless otherwise ordered for good cause shown, no further time will be allowed
12 to that party if it would interfere with the ability of the opposing party to present its case.

13 **Trial Procedure**

14 9. In opening statements, counsel shall not express personal knowledge or opinion
15 concerning any matter in issue.

16 10. Counsel must question witnesses from the podium, using the microphone. Without
17 requesting permission, counsel may approach witnesses for any proper purposes.

18 11. Address all remarks to the Court, not to opposing counsel.

19 12. Refer to all persons, including witnesses, other counsel and the parties by their
20 surnames and not by their first or given names.

21 13. In examining a witness, counsel shall not repeat or echo the answer given by the
22 witness.

23 14. **Counsel must stand when making an objection.**

24 15. Conferences at the bench or sidebar are not favored by the Court. Any sidebar
25 conferences which are allowed will be off the record. If any counsel wishes to place matters on the
26 record, he or she may so request, and the Court will make a responsive order.

1 16. Counsel have full responsibility to arrange for the appearance of witnesses during
2 the presentation of their case so as to eliminate delay caused by waiting for witnesses who have been
3 placed on call by counsel.

4 17. Unless an agreement to the contrary is entered into by opposing counsel, all
5 nonparty or nonexpert witnesses will be excluded from the courtroom when not testifying. When a
6 witness has completed his or her testimony, the witness is excused unless counsel indicates that he
7 or she wishes the witness to remain subject to being recalled. Any witness who has been excused
8 from further testimony may remain as a spectator. It will be the responsibility of counsel to make an
9 announcement at the time the witness steps down that he or she should remain in the environs of the
10 Court for a reasonable time to permit such counsel an opportunity to secure and serve a subpoena
11 upon the witness and assume responsibility for his or her per diem and other expenses as provided
12 by governing rule or statute.

13 18. Counsel shall admonish all persons at counsel table that gestures, facial expressions,
14 audible comments, or the like, as manifestations of approval or disapproval during the testimony of
15 witnesses, or at any other time, are prohibited.

16 19. Witness examination shall consist of direct examination, cross-examination and re-
17 direct examination. No recross-examination will be allowed without prior approval of the Court
18 specifically indicating the area for recross-examination. When there are multiple defense counsel,
19 they are directed to confer and designate to the Court the sequence in which they wish to be
20 recognized during trial for purposes of presenting opening statements and conducting cross-
21 examination of witnesses. If one counsel conducts the direct examination of a witness, that same
22 counsel must make objections when the witness is cross-examined. Counsel who will conduct the
23 cross-examination should object while the witness is on direct.

24 20. After the commencement of trial testimony, upon request of co-parties, any
25 objection, motion or other application for relief made by any co-party, orally or in writing, shall be
26 deemed to be adopted and joined in by every other co-party, without announcement by counsel to
27 that effect, and the rulings of the Court shall be deemed applicable to each party unless otherwise
28

stated at the time the ruling is made. Accordingly, it shall be regarded as unnecessary and improper for counsel to rise to "join in" an objection or motion. Rather, counsel should rise to be heard only for the purpose of expressly opting out of an objection or motion if that is his or her position.

4 21. Counsel are directed to deliver to opposing counsel at the end of each trial day (if
5 not earlier) a list of witnesses counsel anticipates calling the next trial day.

6 22. Counsel calling a non-client witness to testify should have no further discussions
7 with that witness concerning the case or any aspect of his or her testimony after the witness has been
8 tendered for cross-examination and until such time as the witness has been tendered back for redirect
9 examination. At all other times, within the bounds of governing ethics and the law, counsel may
10 engage in discussions with witnesses during trial.

11 23. Any time taken away from presentation of evidence to the trier of fact due to, for
12 example, lengthy legal motions made during the time allocated to the presentation of evidence, or
13 delays in the commencement of proceedings due to circumstances within the control of counsel, will
14 be deducted from the time allocated for the presentation of evidence. Upon timely application based
15 upon good cause, the Court may relieve a party of its stipulation to the agreed schedule.

16 24. It is the practice of the Court periodically to inform counsel of the Court's record of
17 how much time each side has remaining for the presentation of evidence based upon the stipulated
18 trial schedule.

Daily Trial Transcript

20 25. Any counsel desiring daily or expedited transcripts during trial should make
21 immediate arrangements with the court reporter and should inform the Court and other counsel of
22 such intentions.
